

Overhead Fan, Product # DS-3-24-70HV-X-QD

DS-3 is a three-blade, direct drive overhead fan designed for commercial or industrial spaces with medium to high ceilings. These economical HVLS fans are the ideal balance between cost and performance, making them a smart choice for budget-conscious building owners. Plus, with a lighter weight than comparable overhead fans, the DS-3 is a breeze to install in any building.

- Plug-and-Play
- Safety Retention Cables & Guy Wires
- Impact & Over Speed Detection
- Electrical Safety Systems
- 10-year Warranty
