## **Disconnect Switch, NEMA-3R Weatherproof, 3 Pole, Single Throw, Up to 7.5HP, 230/460V, 3 Phase**

---

Up to 7.5HP @ 230v

Up to 10.0HP @ 460v

NEMA-3R weatherproof rated disconnect switch

provides positive electrical shutoff and safety.

Disconnect switches are a recommended and necessary safety feature for every fan. Mounted directly on the fan, within sight and reach, disconnect switches provide the best protection against accidental startup during service or inspection.
