Disconnect Switch, NEMA-3R Weatherproof, 3 Pole, Single Throw, Up to 7.5HP, 230/460V, 3 Phase

Up to 7.5HP @ 230v
Up to 10.0HP @ 460v
NEMA-3R weatherproof rated disconnect switch
provides positive electrical shutoff and safety.
Disconnect switches are a recommended and necessary
safety feature for every fan. Mounted directly on the
fan, within sight and reach, disconnect switches provide
the best protection against accidental startup during
service or inspection.
